# The Journey of Vedantu's Learning Centres

## How We Built India's Most Loved Offline Classrooms

What started as a simple belief that every student deserves highest personal attention, has grown into a powerful, tech enabled offline learning movement.

### 2022 Reimagined Offline Classrooms

|                       |    |
|-----------------------|----|
| No. of Cities .....   | 1  |
| No. of Centres .....  | 1  |
| No. of Students ..... | 61 |

### 2023 Expanded Classrooms That Students Love

| No. of Students ..... | 31000+ |

# Unlocking True Potential Through Highest Personal Attention

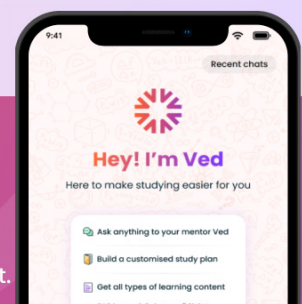

Students don't lack talent – they lack the personal attention their preparation needs.

At Vedantu Learning Centres, personal attention is built into every student's learning journey through our **Student Obsessed Heroes** and our **AI Powered Systems (Ved)**.

## Introducing Ved Your AI Powered Personal Mentor

Ved is India's first AI powered personal mentor that tracks every child's engagement, understanding and test performance, then turns it into personalised content, doubt solving, class replays and score improvement.

# Our Student Learning Journey with Highest Personal Attention ... Now Powered by Ved

Every student follows the same syllabus. But no two students learn the same way. We ensure that each child gets the right guidance, at the right time, **in the right way throughout their JEE or NEET journey.**

## 6 1:1 Personal Feedback & Mentorship

- 🔗 Receive 1:1 academic guidance from **Dedicated Academic Mentor**
- 📞 Get regular parent connect calls from your Academic Mentor
- 📄 Get detailed reports on class attendance, class engagement, test performance & test analysis on the **Parent App**

🌟 Ved continues **one-to-one mentorship** with regular check-ins, nudges and guidance - and **shares insights with teachers and SAMs** so no student slips through unnoticed.

## 5 Revise Comprehensively

- 📺 Access **1200+** hours of recorded lectures
- 🗣️ Attend focused revision classes for Boards, JEE & NEET
- 📄 Study from your teachers' handwritten class notes
- 📖 Access 150+ top books on Pedagogy App

🌟 Ved gives smart class replays with **Ved LectureLens**, with access to SmartNotes, quizzes and lecture-specific doubt solving

# #HighestPersonalAttention

# 1 Interactive Learning

- Learn from India's top Master Teachers in AI powered classrooms
- Understand concepts with immersive 3D visualisation
- Answer Quizzes with Smart clickers tracking accuracy, speed and participation
- Feature on LIVE leaderboards to gauge your standing in class

**Ved tracks classes' participation, understanding and response patterns so teachers know who needs attention, instantly.**

# 2 Clear Doubts in Class & at Home

- Get instant doubt solving in class from Master Teachers
- Attend dedicated doubt-solving sessions at the centre
- Use 1-to-1 video-based doubt solving from home with doubt experts

**Ved clears any doubt 24x7 with Ved InstaSolve, and suggests what to practise next with Ved LearnList**

# 3 Practice Thoroughly

- Get Curated Practice Questions After Every Class
- Use 12,000+ practice questions in Tatva books
- Access 300+ assignments offline & online, any time

**Ved generates personalised assignments & DPPs based on mistakes, weak areas and class learning so effort goes exactly where it's needed.**

# 4 Test Yourself Regularly

- Take scheduled centre tests every 14 days
- Get predicted AIRs from Rank Predictor tests
- Create your own tests in the Pedagogy App
- Analyse tests in the app and in class discussions

**Ved analyses every test, highlights strengths & gaps, and tells students which test to take next and why with Ved ScoreBooster**
